# Living a life that pleases God: A short Bible Study

## Day 1

1. Read Gen 5:22.
2. What does this scripture tell us about Enoch's life? Write it down.

I love to read about the story of Enoch. The Bible said that he lived 365 YEARS, wow this is a long time! While he was alive on earth, he walked faithfully with God. Wow, this is a long time to faithfully walk with God. In fact, because he was so faithful and walked so closely with God; he never experienced death. The Bible says that one day he just was no more! God took him away from earth to heaven. Now imagine this...the one day Enoch is still visiting His family and then the next day he is just gone! No one can find him! Can you imagine how many search parties they sent out to find him? It must have been a lot. They probably search for him a long long time!

3. What stands out for you about the life of Enoch?
4. Would you also like to walk faithfully with God? Talk to God about this. Ask Him how you can do this. Write down what He tells you.

## Day 2

1. Read Heb 11:5
2. What does this scripture tell you about Enoch?
3. **Enoch pleased God. Is this a desire in your heart?** Talk to God about this. Listen to what He tells you. Write it down.

Wow, the Bible says that Enoch pleased God! The life Enoch lived please God.

## Day 3:

Hebrew 11:5 explains to us what it means to live a life that pleases God.

1. Read Hebrew 11:5. Write this scripture down.
2. What does this scripture teaches you? Write it down. You can also make a drawing to explain it to yourself.

This scripture teaches us that we can only please God through FAITH.

**Firstly**, we must have faith that God exists.

**Secondly**, we must have faith that God rewards those who seek Him.

Let me explain this verse some more:

Firstly, If we want to please God, we need to have faith that He exist. This sounds easy for us, but I know that there are people who are not sure about this. If you are not sure, you can ask God's help. He will help you to believe that He exist!

Secondly, If we want to please God; we need to earnestly seek God **AND** then believe that He rewards you when you seek Him. What is this reward that this scripture talks about? Tomorrow we will check what the Bible says about this.

3. Spend time with God. Talk with Him about what you have learned today. What does He tells you? Write it down below.

## Day 4

What does it mean when God **rewards** us when we earnestly seek Him?

1. Find these scriptures in the Bible. Write each scripture down below. Read each one carefully. James 4:8, Jeremiah 29:13 and Proverbs 8:17

2. How does God rewards us?

God rewards us by drawing near to us! When we draw near to Him, He draws near to you. Wow, how amazing is this!

**So let me summarise the last four days of Bible Study:** The Bible does not say that we need to DO things to please God. The Bible says that only when we have FAITH, can we please God! Firstly, the Bible says that we need to believe that He exist. Secondly, we need to belief that He rewards those who seek Him

3. Talk to God about what you have learned. What does He have to say about what you have learned? Write down what He says!
